organisations to develop good practice in working with volunteers

Encourages

the development of volunteering opportunities

Informs

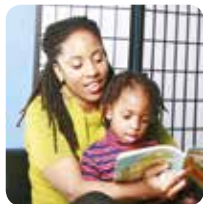

relevant planning and policy at local and national levels

Volunteer Connect

Volunteer Connect is our free online system for local people seeking volunteering opportunities and organisations seeking volunteers. Access is through our website.

www.mvda.info

For organisations

You can manage your volunteering roles and interact with interested volunteers through Volunteer Connect.

Registration is easy: one short online form for the organisation and one for each opportunity.

Need help?

We can help with role descriptions for new opportunities and support around management of volunteers and other elements of good practice. Our services are open to voluntary and community, public and private organisations.

We like to meet new clients to ensure we understand your needs and can appropriately refer volunteers through one-to-one placement advice. We ask you to stay in touch and keep us informed about volunteers and volunteering vacancies.

For volunteers

You can search and apply for volunteering roles through Volunteer Connect.

Registration is easy: complete the online form or make an appointment at the Volunteer Centre.

Need help?

We can help you to choose the right role. Phone **01642 803613** to make an appointment with one of our placement advisors.
