Clothworkers' Foundation

Funding Body: Clothworkers' Foundation

Description:

Capital grants are available to UK registered charities working in the UK in one of the following areas: alcohol and substance misuse, people with disabilities, disadvantaged minority communities, disadvantaged young people, domestic and sexual abuse, older people, homelessness, prisoners and ex-offenders, and visual impairment.

Status	Open for Applications
Application Deadline	None specified
Maximum Value: Discretionary	Minimum Value: There is no minimum value

Funding is at the discretion of the Trustees who will determine what level of grant they will give.

For **larger projects** (£100,000+), the Foundation generally funds 10% or more of the balance to be raised. For example, if the project cost was £200,000 and the applicant had £150,000 left to raise, the grant award would be at least £15,000. The larger a project, the larger the grant is likely to be.

For **smaller projects** (with a balance of less than £10,000), the Foundation generally funds between 50% and 100% of the balance.

NB As of 16 April 2020, and until further notice, applications for larger capital projects have been suspended as the Foundation focuses on coronavirus/COVID-19 emergency funding. This will not affect applications already submitted but will affect future applications.
